GETTING TO DELFT

ARRIVING BY AIR AT AMSTERDAM SCHIPHOL AIRPORT

- 50 km from Delft
- Connections from Amsterdam Schiphol Airport to/from city center of Delft:

Get transport from Schiphol

Take the train

Schiphol Station is located directly below the airport. It only takes a couple of minutes to walk from Arrivals to Schiphol Plaza, where you can take the stairs, escalator or lift down to the platforms.

Catch the train at Schiphol to travel directly to many destinations in The Netherlands. The NS train station is located directly below the terminal building. Take the escalator or lift downstairs and board the train. The train gets you Delft in 35-50 minutes.

Train tickets and the public transport card

In the Netherlands you use a public transport card called the 'OV-chipkaart'. You can use this OV-chipkaart on the train, bus, tram and metro services throughout the country. There are several different types of public transport cards available.

Choose the right ticket for you

A single, disposable paper ticket is probably the best option if you only plan to use the train, bus, tram or metro once. However, the OV-chipkaart can save you money if you plan to use the train, bus, tram or metro more frequently and over a longer period of time.

Buying a public transport ticket at Schiphol

At Schiphol, you can buy the single paper ticket at the blue-grey 'Public Transport Tickets' machines. These are located at the baggage reclaim area of Arrivals 3 and just outside Arrivals 3, at the escalators, up to Departures 3. At these ticket machines you can also buy your Amsterdam Travel Ticket.

It's easy to buy and top up the rechargeable public transport chip card at the NS ticket machines at all railway stations. These yellow machines are operated by the national train carrier 'Nederlandse Spoorwegen' (NS). At Schiphol you will find them at Schiphol Plaza, near the red-white-checked meeting point.

Plan your journey and buy your ticket online

TAKE A TAXI

Whether you're travelling alone or in a group, our taxi drivers will take you from door to door. There are taxis waiting at Schiphol Plaza. All you have to do is jump in!

Pick-up and drop-off at the doorstep

Get in a taxi at Schiphol's official taxi rank in front of Schiphol Plaza, for a quick and easy onward journey. Always follow the signs for taxis so you know you are getting into an approved taxi. If you come to Schiphol by taxi, you will be dropped off in front of your departure hall.
